CAREER READINESS: Practical Tips to Help You Find a Job

Roland Block

Associate Director, Engineering Career Services
Texas A&M University Career Center

Tuesday, March 20, 2018 • 4:00 p.m. PST • 7:00 p.m. EST

Save the Date: Location and webinar information will be sent at a later date

This engaging one-hour session will offer practical tips on

- Introducing yourself to another professional
- Developing your “elevator pitch”
- Résumé and cover letter writing
- What to do (and not do) in a job interview

The presentation will be interactive, so be sure to attend one of the rooms reserved at your university for this webinar.

About the Speaker

Mr. Block is a 1992 graduate of Texas A&M's Mechanical Engineering program and has 25 years of industry experience in medical devices. He has held progressively responsible positions in industry from Product Engineer in a manufacturing facility to Director of Global Marketing for companies ranging from start-up to Fortune 300.

Block joined Texas A&M's Career Center in 2017 and together with his staff, provides a wide range of career services for more than 19,000 engineering students at all levels at Texas A&M.

About the Seminars

Two U.S. DOT University Transportation Centers (UTCs) at the Texas A&M Transportation Institute, together with their partner institutions, co-sponsor this leadership development series, offering opportunities for graduate students to hone leadership and job skills beyond the classroom. The series is open to graduate students of our partner institutions who have an interest in transportation.
